

PETER PAN

Hey! it's Peter Pan.

WENDY

And Wendy!

PETER PAN

Immortality has made me wise. Now I do all sorts of sensible adult activities.

WENDY

He's So boring now!

PETER PAN

Like my taxes. I pay them extra early, in case the government needs the money.

WENDY

He used to fly around and fight pirates with tinker bell...

PETER PAN

And flood proofing my basement! I live at a high altitude, but you never know.

WENDY

Oh brother!

PETER PAN

But the most sensible thing I've been doing has been taking the bus, my own bus, in fact. Peter Pan Bus Lines are more convenient, faster, and more affordable than other forms of transportation.

WENDY

Traveling the country on Peter Pan Bus Lines was a good move, I'll give him that.

PETER PAN

With convenient terminals in all the major cities, and over 100 routes to choose from. I can go on an adventure just about anywhere. The smart way. It actually makes me feel like my old self!

WENDY

Oh Peter! I love when you're like this!

PETER PAN

Now that I'm so relaxed from traveling and saved my money. I can order more beans in bulk... they have a shelf life of over a year!

WENDY

There he goes again...

PETER PAN

Peter Pan Bus Lines. The responsible way to travel.
